To Whom It May Concern,

Anna Samonova did an internship with luxury travel online magazine [www.luxnomade.com](http://www.luxnomade.com) from 03/12/19 to 17/04/19.

During her time as an editorial intern, she wrote and submitted five well-written articles including; 'Yoga outfits', 'Beach Wear', 'Ski Outfits', 'Top 5 Bars in Rome' and 'Five tips to dress Parisian'.

Anna always submitted her assignments on time, she was pleasant and professional in her communication and talented in her writing.

I wish Anna all the best in her future studies and work and should you require any further information I am at your disposal.
